

Keywords and Questions

Notes

What are key words, ideas, people, places, or things that come up?

Use this section to write down the UNDERLINED parts of the PowerPoint. Make GOOD use of the space!

What questions do you have?

Use this information to write your summary, study for quizzes, tests, and homework

What questions could be asked on a quiz or test?

Summary (Main Idea)

Write a brief summary of the lesson, the information in your notes, and what you learned. Someone who wasn't in class should be able to read this and understand what you learned.
